SELECTMEN'S MESSAGE

In retrospect, 1971 saw Bow's first summer recreation program successfully carried out, our Police Department grow to two full time men as well as purchase of a new cruiser, the custodian-dispatcher system in the Community Building in effect.

The Town of Bow has reached the growing point where we are too small for some things and too large for others. We are large enough now to need structure and a great deal of planning.

In prospect, we hope to see new road construction minimized in order to reclaim and maintain our present roads. Our cemeteries should come directly into the Town structure, so that their maintenance and planning (with records)

can be coordinated through the town government.

Now is the time for reserving lands in Town to remain as open space to protect our environment and recreational needs for the future generations. Our Conservation Commission is actively working along these lines.

We have tried hard this year to perform the regular weekly tasks, while always trying to keep an orderly future in mind, so there will remain a Bow of which we will always be proud.

TOWN WARRANT

The State of New Hampshire

To the inhabitants of the Town of Bow, in the County of Merrimack, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the Community Building in said Bow on Tuesday, the 7th of March, 1972, at ten o'clock in the forenoon to act upon the following subjects hereinafter set forth. The voting on Article 1 will be by official ballot, and the polls shall open for balloting at ten o'clock in the forenoon and shall not close before eight o'clock in the evening. The remaining articles of the warrant shall be acted upon at eight o'clock in the evening or at the closing of the polls if the meeting shall vote to keep the polls open to a later hour.

1. To choose by Non-Partisan Ballot the following town officers:

One Selectman for three years
 A Town Treasurer for one year
 A Town Clerk for one year
 Two members of the Budget Committee for three years
 One Library Trustee for five years
 One Trustee of Trust Funds for three years
 One Water Commissioner for three years
 One Sewer Commissioner for three years

2. To rescind the vote of the Town providing for the election of a sexton, adopted at the annual meeting held on March 10, 1953.

3. To see if the Town will vote to authorize the Board of Selectmen to borrow money in anticipation of taxes.

4. To see if the Town will vote to petition the State Tax Commission to have an audit by the Division of Municipal Accounting of the Town Accounts.

5. To see if the Town will vote to raise and appropriate the sum of one thousand, one hundred, fifteen dollars and fourteen cents (\$1,115.14) for T. R. A. construction, the State to furnish the amount of seven thousand, four hundred, thirty-four dollars and twenty-six cents (\$7,434.26) to be spent on Allen Road. (Recommended by the Budget Committee).

6. To see if the Town will vote to improve the construction of the public highway known as Bow Center Road and Wood Hill Road and raise and appropriate the sum of fifteen thousand dollars (\$15,000.00) for this

purpose, the State to furnish matching funds. (Recommended by the Budget Committee)

7. To see if the Town will vote to raise and appropriate the sum of one thousand dollars (\$1,000.00) to be added to the Capital Reserve Fund established for alteration, addition, improvement and acquisition of lands for the Baker Free Library. (Recommended by the Budget Committee)

10. To see if the Town will vote to improve the construction of the public highway known as Albin Road and raise and appropriate the sum of twenty-eight thousand dollars (\$28,000.00) for this purpose. (Recommended by the Budget Committee)

11. To see if the Town will vote to designate a certain parcel of land described herein, to be utilized for recreational purposes. Said land is a portion of parcel number 147 in block 3 on the town tax map, on the Southerly side of Knox Road at the site of the old abandoned dump on the crest of the knoll East of the Bow Community Building.

12. To see if the Town will vote to raise the sum of five thousand dollars (\$5,000.00) to defray the expense of performing the construction work to the parcel of land described in the preceding article numbered 11. (Recommended by the Budget Committee)

13. To see if the Town will vote to accept the Budget as submitted by the Budget Committee.

14. To see if the Town will vote to require the road agent, in addition to his usual duties as such road agent, to have charge, under the direction of the selectmen, of the care and maintenance of the Town dump and of all public cemeteries within the Town, as authorized by RSA 245:7.

15. To see if the Town will vote to authorize the Moderator to appoint a special unpaid advisory committee of three persons to be known as the Regional Refuse Disposal Planning Committee to work with the Central N. H. Regional Planning Commission to make recommendations to Town Meeting for upgrading the Town Dump to meet State standards and to comply with the standards set by the N. H. Air Pollution Control Commission, Regulation No. 2, which sets termination dates for open burning.
16. To see if the Town will vote to restrict the renting of the Community Building to Bow residents, Bow groups and organizations, and business and industries situated in Bow, subject in each case to the approval of the selectmen and to such reasonable terms and conditions as they may attach to such private use.
17. To see if the Town will vote to authorize the selectmen and Water and Sewer Commissions to negotiate and do all other things necessary to coordinate planning of utilities with the City of Concord and to apply for, or negotiate to obtain, such Federal, State, or other assistance as may be available in the construction of a sewage disposal or water system.
18. To see if the Town will vote to exclude from its plan for social security coverage of its employees (adopted at the annual meeting of March 13, 1956) services of election officials or election workers for a calendar quarter in which the remuneration paid for each service is less than \$50.00.
19. To see if the Town will vote to reclassify from Class V to Class VI the public Highway known as Woodhill-Hooksett Road, from a point 4,000 feet east of

the centerline of Allen Road, as presently existing, to a point 4,000 feet west of the centerline of Bow Bog Road, as presently existing, a distance of 1.20 miles±.

20. To see if the Town will vote to reclassify from Class V to Class VI the public Highway known as Branch Turnpike from its intersection with White Rock Hill Road in Bow Center to a point 1,000 feet west of its intersection with the Page Road, a distance of 1.30 miles±.
21. To hear the reports of standing committees and take any action relating thereto.
22. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this Eighteenth day of February, in the year of our Lord nineteen hundred and seventy-two.

SUMMARY OF FINDINGS AND RECOMMENDATIONS

January 25, 1972

Board of Selectmen
Bow, New Hampshire
Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the Town of Bow for the fiscal year ended December 31, 1971, which was made by this Division in accordance with the vote of the Town. Exhibits as hereafter listed are included as part of the report.

One of the enclosed audits must be given the Town Clerk for retention as part of the permanent records.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the Board of Selectmen, Treasurer, Tax Collector, Town Clerk, Baker Free Library and Trustees of Trust Funds.

FINANCIAL STATEMENTS**General Funds:**

Comparative Balance Sheets — December 31, 1970 and December 31, 1971:
(Exhibit A-1)

Comparative Balance Sheets as of December 31, 1970 and December 31, 1971, are presented in Exhibit A-1. As indicated therein, the current surplus of the Town decreased by \$8,292.75, from \$30,260.72 at December 31, 1970 to \$21,967.97 at December 31, 1971.

Analysis of Change in Current Financial Condition: (Exhibit A-2)

An analysis of change in current financial condition of the Town during the year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Decreases in Current Surplus:

Surplus Transferred to Capital	
Reserve Funds	\$15,000.00
Surplus Used To Reduce Tax Rate	7,000.00
	\$22,000.00

Increase in Current Surplus:

Net Budget Surplus	13,707.25
--------------------	-----------

Net Decrease in Current Surplus	\$8,292.75
---------------------------------	-------------------

Comparative Statements of Appropriations and Expenditures – Estimated
and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1971, are presented in Exhibits A-3 and A-4. As indicated by the budget summary (Exhibit A-4), a net unexpended balance of appropriations of \$2,469.03, plus a revenue surplus of \$11,238.22, resulted in a net budget surplus of \$13,707.25.

TREASURER

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of receipts and expenditures for the fiscal year ended December 31, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of December 31, 1971, is indicated in Exhibit B-2.

AUDIT PROCEDURE

The accounts and records of all town officials charged with the custody, receipt and disbursement of public funds were examined and audited in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

Verification of uncollected and unredeemed taxes was made by mailing notices to delinquent taxpayers as indicated by the collector's records. The amounts of uncollected and unredeemed taxes as indicated in this report are therefore subject to any changes which may be necessitated by the return of verification notices.

Conclusion:

The provisions of Chapter 71, Section 27-a, of the Revised Statutes Annotated require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the Town. Publication of the Exhibits contained in the audit report is optional, at the discretion of the Board of Selectmen.

We extend our thanks to the officials of the Town of Bow for their assistance during the course of the audit.

Very truly yours,

Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Town of Bow for the fiscal year ended December 31, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the accompanying balance sheet and statements of sources of revenues and expenditures present fairly the financial position of the Town of Bow at December 31, 1971, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applicable to governmental entities, applied on a basis consistent with that of the preceding fiscal year.

Respectfully submitted,

Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

ANNUAL REPORT – BAKER FREE LIBRARY

The Baker Free Library of Bow is located on South Street just below the Concord line. We have approximately 20,000 books and subscribe to 40 magazines. We, also, have 361 records, both classical and popular. During the past year, the circulation has increased by 1,880 to 26,162. Every week we help old friends and introduce new families to our facilities.

We are open 17 hours a week. Our winter schedule is:

Monday	2:00 to 8:00 P. M.
Wednesday	2:00 to 6:00 P. M.
Friday	2:00 to 6:00 P. M.
Saturday	2:00 to 5:00 P. M.

From June 1 to October 1 summer schedule:

Monday	2:00 to 8:00 P. M.
Wednesday	2:00 to 6:00 P. M.
Friday	2:00 to 9:00 P. M.

Our staff consists of:

Mrs. Barbara Howe, Librarian
Mrs. Helen Robinson
Mrs. Virginia Brown
Mrs. Sonia Sanel
Miss Marie Poch

We have no fines and have a large book box (looks like a mail box) on the South Street side for returning books. We had 3,085 books returned this year last year.

On January 19 and 20, we had a committee from the state libraries of New Hampshire, Maine and Vermont previewing films for buying. On December 1, in our conference room down stairs, we had the N. H. State Librarian, Mr. Allen, the assistant State Librarian, Mrs. Duckworth, with the consultants of the districts making plans and having discussions for the new year. Our staff served coffee and cookies.

We have received our check for the "Walter Kennedy Memorial Fund" for books. This fund was given by the N. H. Telephone Association. The first ones purchased will be on display at the town meeting, March 7, with other new books.

We, of the library staff, take great pride in our library, and wish to extend a hearty invitation to everyone to come in and get acquainted. Browse around and tell us what you are interested in, for suggestions are always welcome.

"A good book is the best of friends, the same today and forever"

Respectfully submitted,
Barbara Howe Librarian
John W. Chadwick Chairman of Trustees

ANNUAL REPORT OF THE BOW FIRE DEPT.

During 1971 Your Fire Department answered fifty fire calls and 14 miscellaneous runs for a total of sixty four runs for the year.

During 1971 we have again been on an intensive training program which has taken a good many hours of the Firemen's time. Our Wednesday night drills are our training nights and we still have State Instructors to give us this training. All members are urged to attend these sessions.

During 1971 we purchased a forty foot three-section Fire Ladder, new hose, four Scott air Bottles and some other small parts and equipment.

The Communications Equipment that was purchased and installed in 1971 for the Fire, Police and Highway Departments has more than proven itself as a necessary part of these three Departments.

We had an inspection program for our Industries in Town during the summer months. This program was well received by the Industries and we hope to do it again this coming year.

We are in great need of some new Firemen in the Department. There are a lot of new families in Town and we would welcome anyone over eighteen years of age to come down on a Wednesday night and talk with me and join a Department that is very essential to the Town and also, by having a full complement of Firemen, we can stay abreast of the changing needs of the Fire Service.

Our full time Dispatching System went into effect in June and the men are doing a commendable job of keeping the building clean and repaired and their dispatching duties.

Fires are still on the increase all over the country and we plead with everyone in Town to make their home and surroundings as fire safe as possible. Remember, in case of fire, get everyone out of the house and call the Fire Department immediately.

Respectfully submitted,
James R. Goodwin

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF
LEST WE FORGET – IT CAN HAPPEN HERE

Disastrous forest and brush fires that destroy hundreds of homes are more prevalent on the west coast with their dry seasons and strong dry hot winds but 25 years ago this fall is the anniversary of a disaster that devastated large areas of northern New England leaving villages in ashes with rows of cellarholes and chimneys in a number of summer vacation home locations. Many lives were lost on that destructive day of October 23, 1947 nothing could stop the wind driven flames.

It is true that such conditions are unusual for New Hampshire but they happened once, they can happen again. The fuel for fires is all around us. All it takes is a firebrand. Only by cultivating a habit of carefulness with fire at all times can we meet the challenge of protection when dry conditions prevail. Please let these reminders be your guide:

1. Never, either when walking, riding or driving, discard a firebrand – a lighted match or a glowing cigarette.
2. Always obtain a permit for any outside burning. The burning of household rubbish is not permitted if your town has rubbish collection. Burning of grass or garden litter can be dangerous. See your warden first.
3. If you camp or picnic, be sure open fires are allowed and if they are, put them *dead out* when leaving.
4. *Most Important* – instruct your children in the danger of the lighted match. A lighted match and dry grass or forest litter is a dangerous combination which leads to destructive loss and can lead to tragedy.

The past year – 1971 was a favorable year for the control of fires. There were too many fire starts in some towns. We thank those who remembered and ask others to heed Smokey's message.

Number of fires reported and acres burned – 1971 season:

STATE	463 fires	160 acres
DISTRICT	106 fires	61½ acres
TOWN	5 fires	1½ acres

ANNUAL REPORT OF THE
LADIES AUXILIARY OF THE BOW FIRE DEPARTMENT

Our year started out with three ladies from Dunbarton visiting our January meeting. These ladies were planning to start an Auxiliary in their own Town.

Our members have been very busy this year. For the first time in many years an Executive Committee was set up with the following ladies serving: Ruth Downs – 1 year, Ida Flanders – 2 years, Mabel Hammond – 3 years. This Committee has been very helpful. For the first time in many years, we served coffee and refreshments to the Firemen at a fire last May. It was voted that this would be done in the future when necessary.

Our Sunshine Committee has been very busy as many of our members have been sick. Many cards and folowers and plants have been sent.

We purchased several articles needed for serving suppers. In October the Firemen asked us to serve refreshments and coffee for their open house. We also served refreshments at a wedding reception. Banquets were served to the following: Boy Scout Leaders, Fire Wardens, and 4-H Leaders and Members.

We donated to the following: The Salvation Army of Concord and Bow, also to the State Hospital.

We purchased a chair for the radio room and a basket stretcher for the Firemen.

On February 12, 1972, the Auxiliary gave a dinner followed by a dance for the firemen, both past and present, and their wives. It was in appreciation of their help in time of fire and need. The Town owes much to those men who started the Department many years ago, and to those who continued to serve as Volunteer members for many years after.

Officers for the year are:

President	Mrs. Paul White
Vice President	Mrs. John Lee
Secretary	Mrs. John Lee
Treasurer	Miss Helen Finch

Sunshine Committee:

Mabel Hammond

BOW POLICE DEPARTMENT

During the past five years we have observed the growth of our community. In order that we stay abreast of the situation we have incurred several changes. One of the changes that I feel has been very important is the establishment of the 24 hour dispatch and communication system. This provides the Town with emergency service of the police, fire and highway departments, and all thru the effort and support of the community. To Charlie Gilman, Tim Morgan, Dana Morrison, and Bob Kilmister, I say a job well done. Let us not forget Frank Bailey, Ralph Cutting, Russell Mattice and others whose efforts have provided service to the community.

These men, all dispatchers, have maintained logs, records and gathered valuable information that has been used as guidelines today, and in the future will provide for the growth and service to the community. Through the participation of the dispatchers and the members of the police department we forward the following report.

Accidents	
Property Damage	62

Personal Injury	15

TOWN OF BOW

Emergency Aid Calls	15

Motor Vehicle investigations, warnings, and D. E. Tags	68
Motor Vehicle Arrests	111
Criminal Arrest	5
Misdemeanor Arrest	4
Juvenile Arrest	3

Out of all the above cases I feel that Burglary and Larceny are the product of today's society. We have noticed a decrease in the burglary of the business establishment, but on the other hand we see an increase in house burglary and larceny. Many of these crimes are drug related. We want you, the home owner, to be aware that there is an increase in the theft of household firearms, jewelry and antiques. We, as well as other parts of the State and country, are suffering tremendous losses in this area. Therefore, we would like to suggest to you that if you see anything suspicious, or have any need to secure items of value while you are away, we will assist you in any manner that is feasible. Another problem of growth is that we would like to have all names printed or written on your mail box to assist us in serving you in emergency or other situations. Your cooperation and support is greatly appreciated and certainly is of great help to us.

BOW CONSERVATION COMMISSION

During 1971 the Bow Conservation Commission was reactivated with three newly appointed residents joining four previously appointed members. The Commission feels its most important job is to perpetuate natural areas in different sections of the town. This can be accomplished by easement or acquisition. Mr. and Mrs. William Pirie are in the process of donating a 2½ acre parcel of land on the No. Bow-Dunbarton Road. It is a beautiful natural area and the Commission wishes to thank the Pories.

The Commission would like to also thank Morris Foote, Jr., Harold Fosher and John Urdi for working with the Commission on its various tasks.

The Commission has undertaken a number of projects during 1971 – in the summer the dump entrance was cleaned up with the help of the local Boy Scout troop – the Commission is presently looking into the possibility of buying a Hammermill to grind glass at the dump; the glass would then be sold to Canada Dry – a snowmobile information meeting is being sponsored with the help of the Bow Police Department; a narrated film will be shown – Concord Lumber Company has agreed to sell 91 acres on Branch Londonderry Turnpike to the Town for \$5,200; this land abuts the 22 acre Walker-Schulyer Forest; the Commission is applying for 50% matching funds from the Bureau of Outdoor Recreation; as a result, the 91 acres will cost the Town \$2,600 if the Commission's budget is accepted at Town Meeting.

The Commission is looking for gifts of land or money to help bring about conservation in future years. Anyone interested in helping the Commission or serving on a subcommittee, please contact the Chairman.

BOW PLANNING BOARD
1971 ANNUAL REPORT

The Planning Board took action on approximately thirty (30) separate subdivisions in 1971. A majority of these were for one or two lots on existing town roads. Three subdivisions created new town roads. All told the Board approved sixty-five (65) lots that are acceptable for development. The Board also reviewed site plans for four (4) industrial or commercial buildings and plans for the cooling water spray channel presently under construction at the Public Service Company of New Hampshire Power Plant.

In February the Planning Board adopted new operating rules and procedures. These rules provide for the annual election of the chairman and secretary; that regular monthly meetings be held; and that four (4) members must be present to transact business. Regular meetings were held on the first Wednesday of each month with the agenda for that meeting set ten (10) days in advance. Nine (9) additional meetings were held to make a total of twenty-one (21) meetings in 1971.

After holding a public hearing, the board adopted revised subdivision regulations in February, 1971, as provided by state legislation. These regulations, in whole, have been well received and have proved valuable in setting forth the procedure and details of subdividing land. It should be noted by anyone wishing to sell land that the regulations apply to any division of existing lots. The regulations do not apply to the sale of the entire lot.

In June of 1971, a Special Town Meeting was held to adopt a revised zoning regulation and map. The town defeated the proposal by 191 FOR to 326 AGAINST. This was disappointing to the Board; however much constructive knowledge was realized from the town's action. This knowledge must now be used to change to acceptable form those major points of objection and again present it to the town.

The Board has worked with the Central New Hampshire Planning Commission in conjunction with regional projects concerning water supply, solid waste disposal and the like. Many projects lie ahead waiting for work from those who have the time and interest. Let us hear from you. Our meetings are open to the public.

BOW HISTORY COMMITTEE PROGRESS REPORT

January 13, 1972

Nine meetings of the Bow History Committee have been held, convening in the Baker Room of the Baker Free Library, usually the 2nd. Monday of the month.

Mr. Delmar Goodwin, History teacher at Hanover High School, now semi-retired and presently gathering data for writing the very early history for the Southeastern part of the state, was our guest consultant, paying compliments on the progress and manner in compiling data for the History of Bow, stating any history should be written to be of interest to historians as well as town's people. Mr. Goodwin stated the Proprietor's map as done by Mr. Fosher, with David Bundy's assistance, is probably equal to one book.

Mrs. Constance Hammond has consented to write the history of the Bow Baptist Church. Four of our meetings have been spent making Grantee cards and filing them, time has been spent at home writing these cards also. The Grantee cards for Rockingham County have been completed and probably one-tenth of those for Merrimack County. Research has been done on the Bow Canal.

Additional names to the Bow check list, 1929 through March 5, 1968, were turned over to the Committee by Mr. Harold Howe, supervisor of the check list since 1940.

Old deeds have been placed in the records, given by Mrs. Albert Gauthier. We are appreciative of any contributions of historical interest.

The bulk of gathering data has been done by Mr. David Bundy, a senior history major at the University of New Hampshire. The following is evidence of many hours of research:

1. From the State Papers, 40 volumes, Lyford's History of Concord, miscellaneous Concord newspapers, Concord Monitor, 1864-1880, and Hurd's Atlas of State of New Hampshire, 1892 — 750 facts about Bow, carded and indexed as to topics.
2. From numerous local, state, and national histories at the New Hampshire Historical Society, New Hampshire Archives, Concord Public Library, and State Library records — 400 facts and copies of original documents relating to the Bow Controversy recorded.

3. From Provincial and State Deeds 1727-1840 — extracted all deeds for Bow and Suncook (Bow) — 2300 Grantors and 1500 Grantees.

4. Newspapers:

- | | |
|----------------------------------|-------------------------------|
| New Hampshire Patriot, 1808-1840 | Concord Gazette, 1817-1819 |
| Concord Herald, 1790-1805 | Concord Register, 1824-1825 |
| Hills Daily Patriot, 1841 | Daily Patriot, 1842-1843 |
| New Hampshire Journal, 1826-1827 | The Mirror, 1792-1799 |
| N. H. Stateman, 1823-1825 | Republican Gazette, 1801-1803 |
| Republican Gazetteer, 1796-1797 | Temperance Herald, 1834-1837 |
| Spirit of Republicans, 1829 | Temperance Advocate, 1842 |

From the above sources, 700 informational cards were made.

5. The Probate Records, 1727-1840 have been searched — 600 cards were made with inventories, wills, etc., alphabetically indexed.

Through David's research on the Bow Controversy, interest has been created at the New Hampshire Society and they have sent to England for material relating to it.

Of the 5000 cards, 1000 or more are card entries that can be integrated into the History of Bow.

Mr. Fosher has compiled the Proprietors map and plans to have it on display at the Town Meeting. The Committee moved to have this map copyrighted.

There is still much to be done; to name a few, many newspapers to be read, cemetery records needed to be copied, the enumeration of town and school district officers from 1800's. These are partially done and there are many other areas for just plain digging. ARE YOU INTERESTED IN THE HISTORY OF YOUR TOWN? The number to call is 224-1545.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Bow:

I herewith submit my tenth annual report relative to the Bow Memorial School.

ENROLLMENT

The increase in the student enrollment of Bow Memorial School has continued at the rate shown in the demographic study and projections made by Dr. John Sullivan of the New England School Development Council. The September, 1971 enrollment was 764 students in grades K-12 compared to 320 in 1964-65. The Bow school population is fast approaching the 815 estimate of Dr. Sullivan for 1975.

Fifty grade 9 tuition students in September, 1971 at Rundlett Junior High School compare with 31 in 1965. At Concord High School 157 Bow grades 10, 11 and 12 students enrolled in September, 1971 compare with 87 students in 1965.

The following table includes actual grade 1 through 12 enrollments for the years prior to 1971:

	1965-66	1966-67	1967-68	1968-69	1969-70	1970-71	1971-72
Grades 1-8	333	358	387	421	426	535	557
Tuition 9-12	134	137	147	159	169	202	207
TOTALS	467	495	534	580	625	737	764

Bow Memorial School, in the initial year of the expanded facility, had an exceptionally fine year. Considering that the students moved into a new facility wholly different than the traditional educational approach, the transition was effected smoothly through the cooperation of the staff, students, and parents. John Lyford, Principal, stated that during the 1970-71 school year the staff recognized that inadequacies existed in the communication with parents with regard to pupil progress in the academic, social, emotional, and health areas. The report card with a letter grade was sufficient information regarding some areas of a child's growth, but these letter grades did not fully relate student progress. A letter was sent in August asking for volunteer families to participate in a new and better way to report. Ninety families, who represent one-third of our school population, volunteered and have been engaged in a trial pilot program of parent conferences with teachers since late November. Mr. Lyford explained that the consultations with these parents will continue for the remainder of the school year in order to obtain their viewpoints. At the conclusion of the year, the method of reporting to parents will be assessed and, with possible modifications, may be implemented in a new reporting system for the school year 1972-73.

TOWN OF BOW

We have adopted a new math system for Grades K-7. During the school year 1972-73, we will be offering Algebra I to those 8th grade students who are ready.

In the school year 1971-72, we adopted a new social studies series in Grades 1-6, and with the addition of Grade 7 texts by 1972-73, we will have updated the entire social studies program.

The school grounds have been placed under a system of proper maintenance and control. The school athletic field will have a regulation high school baseball diamond and a softball diamond in addition to the present field hockey and soccer field.

Use of the facilities by the community and the summer recreation program is being encouraged with the cooperation of the selectmen, school board, athletic director, and school administration. The gymnasium and lunchroom facilities, plus the music, art, and home economics rooms have been used many evenings and after school for basketball by high school boys and adult men in the community, 4-H, Hunter Safety classes, Girl Scouts, Cub Scouts, and the Bow Extension Group. During the summer the music room was used for four weeks for workshops held by the State Department of Education.

Chief Gary Nylen of the Bow Police Department has given us his cooperation and assistance in supervision of traffic control, student walkers, transportation routes, and child safety.

GUIDANCE PROGRAM

Bow Memorial School added Bernard M. Raiche, School Counselor, to its staff in order to enhance the Pupil-Personnel Team and further meet the needs of the individual pupil. Mr. Raiche states that evaluation of learning difficulties through existing records and individual testing and the recommending of remedial procedures play an important part in the counselor's role. Individual and small group counseling are also offered to students as an aid to problem solving. The counselor also serves as the coordinator of the Pupil-Personnel Team as well as of special programs such as the pilot reporting project. As a result of the position, a new program of standardized testing has been instituted which more effectively aids in the evaluation of each child's progress and assists in curriculum planning. Finally, the counselor is available as a consultant to teachers and parents who desire assistance in planning programs to solve problems and promote student growth. The position is currently supported in part by a Title I grant made to the Bow School District under the Elementary and Secondary Education Act with funds allocated at the State of New Hampshire level.

THE ART PROGRAM

Self-expression takes many forms. In the art room you will find the students' self-expression taking all sizes, shapes, and kinds of materials.

The room is a place that is in constant use, not only for the art program, but

by the whole school. It is a room that has been designed to accommodate as many as fifty students – and often does.

Within the art program the students meet once a week in art class. These classes are set up to give the students as much experience with as many art media as possible. The once a week classes are only part of the art program. Any student from grades 4-8 is allowed to work in the art room on individual projects when he has a free period and his work is complete. The room also serves as the place where class or group projects are often planned and completed.

THE PHYSICAL EDUCATION PROGRAM

The physical education program at Bow Memorial School is designed to let the child develop his individual potentialities in all phases of life. The child is placed in situations that can be favorable to the promotion of such muscular responses or activities that will best achieve the purpose.

The general objectives of the physical education program are to develop bodily strength, vigor, desirable social habits and attitudes, to learn specific skills in daily activities, and to develop the enjoyment of recreational activity.

The facility is in full use throughout the day for grades 1-8. Students engage in such activities as creative and exploratory movements, ball skills, and games for primary level with the upper and intermediate grades having team and individual sports as well as gymnastic and rhythmic activity.

There is also a vigorous after school program including such activities as field hockey, soccer, basketball, volleyball, gymnastics, and softball.

MRS. MURIEL HOWARD RETIRES

Mrs. Muriel Howard, veteran school board member, announced her retirement as a school board member effective in March, 1972. Mrs. Howard, who has conscientiously served for nine years as a school board member, secretary, and chairman, has compiled an enviable record as a member dedicated to improving the educational opportunities afforded the boys and girls of Bow. During her tenure, the modern half million dollar Bow Memorial School was planned and constructed and the \$1,500,000. open concept addition to the school was planned, constructed, equipped, and staffed to provide a modern elementary school facility to meet the current and future educational needs of children of Bow.

As Superintendent of Schools, I wish to express to Mrs. Howard the sincere and heartfelt appreciation of the administration and teachers for her dedicated service to the educational endeavors of Bow.

ACKNOWLEDGEMENT

On behalf of the office of the Superintendent of Schools, I wish to extend my gratitude to the members of the Bow School Board – Muriel Howard, Chairman; Richard Nichols, Secretary; and Carl Smith, Member; for their dedicated work in the interest of quality education for each boy and girl in Bow. The sound educational policies adopted by the Board have received the support

of the administration, teachers, students, and the citizens of Bow.

I wish further to acknowledge the support and cooperation extended to the administration by the School Board; John Lyford, Principal; the teachers; students; citizens of Bow; Paul Kilmister, until recently Assistant Superintendent of Schools; Wayne Evans, Business Administrator; and Mrs. Ruth Henk, Mrs. Harold Smith, and Mrs. Florence Schricker of the office staff.

Respectfully submitted,
Ernest Peltonen

SUMMARY OF FINDINGS AND RECOMMENDATIONS

September 16, 1971

The School Board
Bow School District
Bow, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Bow School District for the fiscal year ended June 30, 1971, which was made by this Division. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer, and School Lunch Program.

FINANCIAL STATEMENTS

Comparative Balance Sheets: (Exhibit A-1)

Comparative Balance Sheets, as of June 30, 1970, and June 30, 1971, are presented in Exhibit A-1. As indicated therein, the Net Debt of the School District decreased by \$279,857.88, from \$1,190,177.79 to \$910,319.91, during the fiscal year ended June 30, 1971.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition of the School District during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein.

These were as follows:

Decreases in Net Debt:	
Bonds Paid During Year	\$300,000.00
Increases in Net Debt:	
Surplus Used To Reduce	
School Tax	\$ 9,822.00
Net Budget Deficit	10,320.12
	20,142.12
Net Decrease	\$279,857.88

Comparative Statements of Appropriations and Expenditures – Estimated and Actual Revenues: (Exhibits A-3 and A-4)

TOWN OF BOW

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1971, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net overdraft of appropriation of \$12,266.51 less a revenue surplus of \$1,946.39 resulted in a net budget deficit of \$10,320.12.

TREASURER

General Fund:

Classified Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of the general fund receipts and expenditures for the fiscal year ended June 30, 1971, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of June 30, 1971, is indicated in Exhibit B-2.

Building Fund: (Exhibit B-3)

The activity in the Building Fund account during the year is disclosed in Exhibit B-3.

Statement of School Tax Account: (Exhibit D)

A statement of the School District Tax account with the Town of Bow for the fiscal year ended June 30, 1971, is presented in Exhibit D. As indicated therein, at June 30, 1971, the School District had received from the Town the total of the 1970-71 School Tax of \$813,114.65, less a prepayment of \$334,200.00 received in the fiscal year ended June 30, 1970, plus an advance on the 1971-72 School Tax of \$350,000.00

Statement of Bonded Indebtedness: (Exhibit E)

A statement of the outstanding bonded indebtedness of the School District as of June 30, 1971, showing annual debt service requirements, is contained in Exhibit E.

GENERAL COMMENTS

Current Surplus (Deficit):

The current financial condition of the School District changed from a current surplus (excess of total assets over current liabilities) of \$9,822.21 to a current deficit (excess of current liabilities over total assets) of \$10,319.91 during 1971, as shown herewith:

	June 30, 1970	June 30, 1971
Total Assets	\$964,998.82	\$462,633.13
Current Liabilities	955,176.61	472,953.04
Current Surplus (Deficit)	\$ 9,822.21	\$(10,319.91)

Overdraft of Appropriations and Application of Municipal Budget Law:

As indicated by the Budget Summary (Exhibit A-4), there was a net overdraft

1971 ANNUAL REPORT

51

of 1970-71 appropriations amounting to \$12,266.51. Total expenditures exceeded budgetary appropriations as indicated herewith:

Overdrafts of Appropriations	\$44,114.54	
Unexpended Balances of Appropriations	31,848.03	
Net Overdraft of Appropriations		\$12,266.51

In accordance with the provisions of the Municipal Budget Law (R. S. A. 32:10) which was adopted by the Town of Bow, when an unusual circumstance arises during the year which makes it necessary to expend money in excess of total budgetary appropriations, the School Board with the approval of the Town Budget Committee, is required to apply to the State Board of Education for a certificate authorizing such emergency spending.

The records of the School District do not indicate that this requirement was complied with.

Conclusion:

The provisions of chapter 184 of the Laws of 1955, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in this report is optional at the discretion of the School Board.

We extend our thanks to the officials of the Bow School District for their assistance during the course of the audit.

Yours very truly,
Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

BOW SCHOOL DISTRICT

Certificate of Audit

This is to certify that we have examined and audited the accounts and records of the Bow School District for the fiscal year ended June 30, 1971.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly and financial condition of the Bow School District as of June 30, 1971, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,
Frederick E. Laplante
Director
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION
